Event Format, Seeding and Races:

64 players, 16 seeded, double elimination to last 16, then single elimination.

Reigning world champion is seeded #1 in double elimination regardless of their current WPA ranking.

Single Elimination: loser side qualifiers are drawn randomly against winner side qualifiers without repeating winner qualification matches.

Races: double elimination – best of 3 sets. Single elimination – best of 5 sets. Each set is race to 4. If the deciding set is tied at 3-3, a shootout determines the winner.

Breaking: Winner's Break.

For seeding, WPA rankings as of 31 July 2026, will be used as reference.

BRACKETS & LIVE SCORING:

REFEREEING

Area Referees in Rotation

TV Arena Tables: 1 Dedicated Referee & 1 Dedicated Scorekeeper at each table.

Other livestream tables: 1 Dedicated Referee

LAG

In the matches where the table referee is present, the referee will place the balls for the lag, and the athletes must lag from that position. Failure to follow this rule will result in the loss of lag.

RACKING

All racks will be racked by referees using triangles.

Athletes are not allowed to inspect or touch the rack. Inspection is defined as approaching the rack to evaluate it.

SCHEDULE

The athlete must be present in the venue 30 minutes before their match is scheduled. The match may be announced up to 30 minutes earlier than the scheduled start time and must start within 15 minutes after the announcement or at the scheduled time, whichever is later.

Practice on the match table can only take place after the match is announced and before the scheduled or latest permitted start time. Practice time must be shared fairly, the recommended approach is 1 rack per athlete.

If the athlete is more than 15 minutes late for the match (defined as 15 minutes after the scheduled time, or 15 minutes after the announcement, whichever is later), they will forfeit the match.

DOPING CONTROL

At any WPA sanctioned events, WADA authorities may conduct doping control without prior notice to athletes. Athletes must comply with chaperone requirements.

TIMEOUT

The duration of a timeout is 7 minutes. In matches with multiple sets, there is an automatic timeout after every set unless both players choose to continue play. In matches with only one set, each player can take one timeout at any point of time in the match between racks. No other timeouts are allowed.

For the purposes of this paragraph, shootout is a part of the deciding set. If an athlete has a medical condition that requires a longer or more frequent timeouts, they need to present a signed recent letter from their treating doctor to the Head Referee prior to the start of the tournament, and Head Referee will decide on granting an exception.

Whenever an exception is granted to one athlete, it is also granted to all their opponents in all respective matches.

No smoking is permitted in the tournament venue except in designated smoking areas. Athletes must be at their best behaviour whilst in the tournament venue and must not say or do anything that may discredit the organizers, the sponsors, and/or bring disrepute to the sport.
